We utilise client consultations and rely on information provided by the client in order to deliver appropriate treatments within the safety guidelines of manufacturers of the products and technologies used. We also reserve the right to refuse treatment to any client if we assess there is a risk to the client or therapist (except where the refusal would be in breach of the law.)

For safeguarding purposes, we will not treat any young person under 18 years of age without a parent or guardian present.

Please understand that these policies are in place for everyone's protection. By making an appointment with our salon, you acknowledge and accept these terms. Should you not wish to proceed with the appointment due to these conditions, you may cancel your appointment within our cancellation policies without any additional penalty.
